

Vehicle Weight Restrictions

All construction related vehicles in excess of 20,00 pounds GVW, will be restricted from entering the village on specific dates during March 1st through April 30th. Because weather conditions may be more suitable, restrictions on these dates are subject to change. If work on your property requires heavy equipment during these months and you have questions, please contact the office.

Failure to adhere to this policy will result in a fine as set by the Locust Lake Village Board of Directors.
