

**LOCUST LAKE VILLAGE
RECREATION DEPARTMENT
COMMITTEE MEETING
August 11, 2020**

Attendance: Anne Rafter, Tony Ruggerio, Lydia Lewis, Mary Hile, Barbara Halligan, Caroline Basile, Donna Berger, Karen Avery, Diane DiSandro, Fran Odyniec, Carrie Pohl, Pat Holohan

The meeting began at 10:00 a.m. The committee reviewed this summers events to date and adjusted the remaining proposed summer events. *See attached list.*

There was discussion concerning the care and maintenance of the Chalet with special reference to the kitchen. The general cleaning of the kitchen after an event has been done by volunteers. The deeper cleaning by maintenance. Since this deep cleaning is not really a maintenance job, it was suggested that LLV hire a person or company to do the cleaning. Also there was discussion about the purchase of a steam cleaner to remove grease from equipment and floors. Further investigation and discussion will be done concerning this subject.

The Committee was asked to think about the future and the type and amount of recreation they wanted in LLV. Also, whether LLV needs a full time or a part time Recreation Director? This will be discussed at the next meeting along with a proposed Fall Festival.

The next meeting is September 8, 2020 at 10 a.m. in the chalet.
